**Reliant Home Health Supports Meals on Wheels in Fight to End Senior Hunger**

**San Antonio, TX—October 26, 2011**— Reliant Home Health, a leader in home health care services based in San Antonio, Texas, is proud to support Meals on Wheels with their largest, fund raising event, “Party in the Pasture” taking place on Sunday, November 6, 2011.

Party in the Pasture is an annual event that raises funds and awareness for Christian Senior Services. Christian Senior Services provides assistance to more than 5,000 seniors around the San Antonio area through Meals on Wheels, the Senior Companion Program, and the Grace Place Alzheimer’s Activity.

The family-friendly event will take place at Rio Cibolo Ranch between San Antonio and Seguin. Activities will include hayrides, live country music, a silent auction, and Texas barbecue.

Reliant Home Health, a “Silver Spur” sponsor, recognizes the importance of supporting local, community services for seniors.

“Reliant Home Health is committed to contributing to local programs like Meals on Wheels that help address basic, unmet nutritional needs, especially during these tough economic times,” explained Russ Kregel, President of Reliant Home Health.

“Meals on Wheels is a natural fit for Reliant Home Health because our mission is to

serve seniors in a home health care capacity. Christian Senior Services also improves the lives of seniors through important community assistance.”

Recently, many Meals on Wheels programs were forced to change or reduce their services, but companies like Reliant Home Health, have come forward to help restore those services.
